### NORTH POLE MUSICAL – WINTER MUSICAL

Victor Parks and Recreation is pleased to announce the 2011 winter musical production of "North Pole Musical". Auditions are underway for the 400th Anniversary of "North Pole Musical," and everyone is in a panic. The dancing reindeer are "hoofin' it," but don't know what to do with Rudolph and his four left hooves. The elves are tired of always getting the short end of the stick and are singin' the blues. The snowmen are "chillin'," but worried about the funky hot lights, and the toys are trying to do the entire Nutcracker Suite in three minutes. The annual Christmas show keeps getting bigger and bigger. But, wait a minute! Is bigger really better?

This community theatre production is made up of children and adults. It is a great way to get in the holiday spirit! Come watch a show with the kids and walk away smiling!!!

# Parks & Rec Information

## *Leisure Lines from the Director of Parks and Recreation...*

As I sat down to begin this message for our winter brochure, my thoughts began to drift to a discussion I was scheduled to lead later that day with a group of students in Mr. Young's outdoor recreation class at Finger Lakes Community College. The topic of that discussion was "How to Improve Your Quality of Life in Victor...the Recreation Programs, Parks and Trails in Our Community". This is a subject matter that I am very comfortable discussing and was excited to share with the students! We were sure to chat about activities including the youth basketball league, Miss Judy's dance and tumble class and the upcoming trips and tours our Senior Citizens would enjoy. It would be wonderful to share information about places like MaryFrances Bluebird Haven and Victor Municipal Park. Undoubtedly, we would share tales of the projects that Mr. Young and I have worked on this past year and we would even make time for a hike at Lehigh Crossing Park.

In this seasonal brochure, you will find detailed information on many of the activities and happenings in our community this winter. I am sure that there are many more adventures out there to be had! We hope that each opportunity will provide you with an improved Quality of Life. As YOUR parks and recreation provider, improving the Quality of Life is our business and we would appreciate your business. Lastly, I would like to thank Dan DeBruin, our past Chairperson of the Parks and Recreation Citizens' Advisory Committee. I appreciate your leadership and dedication and we will look forward to your continued use of our community programs and we'll see you in the parks.

*Sincerely,*

*Brian C. Emelson, CPRP, Director of Parks and Recreation*
