

Town of Victor Historic Advisory Committee

The Town of Victor has an opening on the Historic Advisory Committee. The purpose of this committee is preserving, interpreting and educating Town Boards and the community about historic and archeological resources in the Victor community. As the Town of Victor grows, the need for an advisory committee for the Town Historian as well as the various boards in the Town will be beneficial to give historical information and advice related to historic and archeological resources.

The committee's goals and objectives are:

- To advise, assist and support the Historian, Town Board, Planning Board and Zoning Board in matters pertaining to Victor's historic and archeological resources;
- To help identify and research the annual *Historic Victor* plaque program nominees;
- To assist individuals in making nominations to the State and National Registers of Historic Places;
- To provide assistance in securing grants that might contribute to the reuse and preservation of historic structures in the community;
- To contribute knowledge for educational materials that promote an understanding and appreciation of preserving the character of Victor, including, but not limited to; walking tours, brochures, a marker program for historic properties, lectures, exhibits and conferences.

If you are a Town of Victor resident and would like to apply to be a member of this committee, please send a letter of interest to the Victor Town Clerk, 85 East Main Street, Victor, NY 14564 by July 12, 2010
