

## APPLICATION FOR DEMOLITION PERMIT

Instructions:

This application must be printed and submitted to the Codes & Development Department  
The application fee, based on the Schedule of Fees, shall be paid prior to the release of the permit.  
Work cannot commence without a permit being issued.

This application must be accompanied with:

- A **survey map**, showing location of lot and buildings on premises, together with dimensions from property lines related to public streets and to adjoining premises, giving a detailed description of structure to be removed.
- Information sufficient to demonstrate compliance with safeguard during demolition chapters of the NYS Uniform Building Code, available from the Codes & Development Office.
- A Certificate of Workman's Compensation must be provided.

Completion date \_\_\_\_\_

Cost of demo \_\_\_\_\_

Method of demo \_\_\_\_\_

Method of debris removal \_\_\_\_\_

Method to secure site during demo \_\_\_\_\_

**APPLICATION CONTINUES ON OTHER SIDE**

PLEASE READ AND INITIAL IF YOU WILL CONFORM TO THE FOLLOWING STATEMENTS

\_\_\_\_\_ As part of this permit, I will disconnect all utilities and will schedule with the Codes & Development office an inspection to verify the same.

\_\_\_\_\_ As part of this process, the Town/Village Historian may be contacting the owner for historical information or records. Additionally, certain structures built before a certain time may require planning board review prior to demo.

\_\_\_\_\_ As part of the permit, I hereby agree to protect all municipal and public properties from damage and am responsible for repairing any such damage. This includes leaving mud in the road, which will be cleaned no less than twice a day.

\_\_\_\_\_ I understand that burning of debris is strictly prohibited by the New York State Fire Code.

\_\_\_\_\_ Asbestos removal is the responsibility of the contractor and property owner, and will be completed in conformity to 29CFR1926.1101 and other applicable State or Federal laws.

\_\_\_\_\_ Lead removal is the responsibility of the contractor and property owner, and will be completed in conformity to 40CFR745 and all other applicable State or Federal laws.

\_\_\_\_\_ By taking out this permit, I hereby agree to return the site to a clean state, free from any hazards and to return the required systems to their full state (if interior demolition) and the site to a final grading with positive drainage (if exterior) within 30 days of the completion of the removal of debris, regardless of the expiration date of the permit.

**APPLICATION IS HEREBY MADE** to the Codes & Development Department for the issuance of a permit, pursuant to the appropriate code, for the demolition of a building. The applicant agrees to comply with all applicable laws, ordinances and regulations, and hereby understands that acceptance does not relieve the agent, applicant, builder, engineer, or owner from complying with any of the provisions of the NYS Building Code, SEQRA act, local zoning, etc., whether stated, implied, or omitted in the plans and specifications submitted for the building permit.

**APPLICANT FURTHER AGREES** that work shall not commence prior to issuance of permit.
