

COMMENT FORM: PROPOSED CANCER STUDY

NYSDOH is proposing a cancer study for the streets highlighted in blue on the map below. The study will include all people diagnosed with any type of cancer (excluding basal & squamous cell skin cancers) since 1990. If you have any comments on this proposed study, you may provide them on the lines below (feel free to continue on reverse). Comments may be returned to staff, or mailed to the following address:

Cancer Surveillance Program
NYSDOH
Corning Tower, Room 584
Albany, NY 12237
