

Note:

When a Holiday falls on your regularly scheduled Monday, place the items out for Tuesday.

For Leaf Vacuum:

Approximate dates are October 25th through Thanksgiving or the first heavy snowfall. Place loose leaves in a row at the curb line. Please keep leaves out of gutters and ditches. This will help protect your property from flooding.

Note:

The Village will pick up Christmas trees that are placed at the curbside periodically during the month of January only.

Special Note:

As a Victor Resident you always have the option of taking these items to the Town Recycling Center, located at 60 Rawson Road, after obtaining a free permit and sticker.

Permits and stickers are available at the Town Clerk's Office, 85 East Main Street, during regular business hours. Hours are Monday—Friday 9am to 4:30pm and Wednesdays until 7pm.

An Important Message from the New York State Department of Environmental Conservation (DEC)

A large percentage of typical household waste discarded in the fall consists of leaves and other yard waste. When left at the curb and picked up with other trash, this natural, organic material often times ends up in a landfill instead of being composted (nature's recycling). This takes up space in our landfills that should be used for waste that has no other recycling or disposal options.

It is a *violation* for most landfills in the State to accept yard waste. A landfill may be subject to fines or penalties for accepting this material. In turn, a waste hauler may be fined by the landfill and/or have their contract suspended.

The DEC is making every effort to get the word out to the residents to make them aware of the yard waste landfill ban.

Residents need to use the option of leaving the material loose at the curbside or use paper bags, which allow for much easier handling and processing. Plastic bags can make the process difficult. (The yard waste is subsequently composted and recycled)

Please take advantage of your local municipality's collection system for handling yard waste.

Your cooperation in this matter is greatly appreciated.

BRUSH & YARD WASTE COLLECTION BROCHURE

Village of Victor

Updated January 7, 2010

Collection Schedule:

Beginning the first Monday in April through the third Monday in October the Village will provide curbside brush and yard waste collection following a monthly schedule (Listed and Pictured to the Right). **Please place brush and yard waste at the curb no earlier than 6:00pm the day prior to your scheduled collection day and no later than 7:00am of your scheduled collection day to insure pickup.** In order to keep on schedule, it is essential that residents follow these procedures. Any brush which does not meet regulations, or is set out on the wrong date, will not be picked up. If you have any questions, please call the Department of Public Works at 924-2004, or the Village Hall at 924-3311

The Village of Victor no longer collects yard and garden waste bagged in plastic. Yard and garden waste may be placed in a can or receptacle; filled weight not to exceed 75 pounds. Larger brush and tree limbs should be bundled, with rope or twine (not wire), in bundles no longer than 4 feet long, or weighing more than 75 pounds. Residents interested in bagging their materials should use large paper leaf bags. These 30-gallon paper

bags are available for purchase at most home and garden stores. Do not rake, sweep or place yard waste of any kind on street pavement or gutters as they may clog the drains. **THE VILLAGE DOES NOT PICK UP SOD.**

AREA 1—1ST MONDAY

OF EACH MONTH

Alpine Way	Kent Dr.
Ambassador Dr.	Lynaugh Rd.
Andrew St.	Salem Cir.
Clover Ln.	Somerset Ln.
