ARE YOU IN ESCROW?

IF YOUR TAXES ARE IN ESCROW:

WHO GETS THE BILL? Your bank or mortgage company will receive copies of the tax bills on properties for which they hold escrow accounts.

WHO GETS THE RECEIPT? Upon payment of the taxes by the bank or mortgage company, the receipt is mailed directly to the homeowner within 1-2 weeks.

IF YOUR TAXES ARE NOT IN ESCROW

WHO GETS THE BILL? The tax bill will go to the owner of record at the time the bills are printed by the County.

If you are responsible for paying the property taxes, and have not received your Village tax bill by mid-June, please contact the Village Hall immediately.

If you receive a bill in error (ex: no longer own the property) please notify and return the bill to the Tax Collector's Office.

NEED A RECEIPT?

As stated on the tax bill, please return the ENTIRE bill with your payment, check the appropriate box, the top portion will then be receipted and mailed to the property owner.

PAYMENT INFORMATION

Please make sure your check is made out correctly: pay to, date, written and numerical amounts must match. Any checks incorrectly made out will be returned and may be subject to a penalty if received by the Tax Collector after the penalty free period.

On payments made by check, change for less than \$1.00 will not be returned.

If payment is made by mail, the **United States Postal Service postmark** (not a postage meter mark) is used as the payment date (RPTL §925). If there is no postmark, the date received will be used as the payment date.

If using an online banking service to pay your bills, please read your agreement as the bank may not mail your payment out for up to 7 days after withdrawing money from your account.
