

Detour Map

-  Non-Truck Detour (0.7 Miles)
-  Commercial Truck Detour (5.5 Miles)
-  Rt. 96 Open (all driveways accessible)

For information, contact NYSDOT Engineer-In-Charge Tom Mialki at (585) 924-8160

Traffic Detour Plans:

Two detours will be posted to direct traffic around the work site for the six months while the bridge is out. Signs will direct motorists to use Plastermill Road and McMahon Road to bypass the bridge as shown in green. Commercial trucks will be directed to follow the Truck Detour utilizing Maple Avenue, Boughton Hill Road, and Route 332 as shown in yellow. All access to residences and businesses will be maintained throughout the project.
