INTERNAL INTERPRETATION

The Code Enforcement Office requests a formal interpretation from the Zoning Board of Appeals of the following:

1. Is outdoor storage of equipment, motor vehicles, and/or materials allowed within the Light Industrial zoning district?
2. Define the difference between outdoor storage and *incidental* storage outdoors.
3. For future Site Plan review applications to the Planning Board, should outdoor/incidental outdoor storage be depicted for approval?

Recommendation from the zoning board to clarify the code as it pertains to outdoor storage and recommend revised code language requiring planning board review of outdoor storage on future site plan review.
