Update on mapping; the committee reviewed the cemetery mapping done by LaBella Associates. The mapping seemed complete and accurate. This mapping of cemeteries will be of use to the Town Planning Board for review of development proposals that are on or near cemetery land.

Bob recognized that Eleanor Barry's death was a loss to our committee and to the community in general. The letter of appreciation and recognition that had been prepared for Eleanor was sent to Alice Hunt.

The article on Colonel George Washington Torrence, who is buried in the Old Village Cemetery, appeared in the spring town newsletter. All members of the Cemetery Preservation and Restoration Committee are encouraged to contribute articles or ideas for articles for future newsletters.

New Business:

Bob will contact members to set a date to walk the cemetery. Bob will contact Richard Doyle of Tribute Care to arrange consultation on evaluating the cemetery condition. Bob will also contact Jeff Rader about any issues or upcoming expenses.

The committee sent a letter of appreciation for Eleanor Barry's contributions to the Cemetery Committee to her niece Alice Hunt. We will be looking for someone to replace Eleanor on the committee, so if anyone knows of someone who might be interested, please let us know.

Our next meeting will be on Tuesday, May 28, 2019 at 7:00 p.m. at the Village Hall.

Motion to adjourn at 7:50 was made by Wilma Townsend and seconded by Charles Callari. The motion carried.
