Director's Report

Brian reviewed his report

The department received \$82,000 in registration fees on the first day of them opening, non-resident registration also opened and was another strong day, Day Camp is especially popular. Some of the new programs are quite popular. Department staff is conducting interviews to finish filling positions for the summer.

Will start printing and social media promotions for special events this week

Lisa commented on the success of the Earth Day trash pick day and the help of Parks & Rec staff was appreciated.

Community Bike Event

Registration to date is 12, with an expected number of 35-40 participants.

Mark distributed a packet with handouts that will be given out at the event.

Parks & Red will have 2 tables for registered & day of registration so people can sign waivers.

VHT update

Lisa provided the schedule of events for the June 4th 30th anniversary day, details are being finalized.

Other Topics

Drew is working on a 'touch a truck' event for September at a location in the Town of Victor. The event would bring any type of heavy duty trucks and the organizations that work on

infrastructure together as a festival. The event is aimed primarily for children, and allowing kids to climb on trucks and learn what people that drive and work in these departments do. Would like to host it at Eastview Mall parking lot. Saturday September 3rd is a potential date. It would run from 10:00 am – 3:00 pm. There would also be tabling and fund raising for non-profit organizations.

Meeting adjourned at 8:35 pm

Next Meeting: Tuesday, June 14, 2022
