Attendees: Bill Bross, Maureen Hiler, Regina Muscarella, LeiAnna Beckinghausen, Josh Galiley and Gene Pratt

Discussion:

1. Arbor Day Review –
 - a. Thank you letter to Kitty VanBortel – Gene will author and have Gary Hadden sign. Photos of the event have been provided to KVB per Regina.
 - b. Tree Health – Tree should be checked on Church St.
2. Victor Voice Article – Regina will generate a graphic of event that will show volunteers as well as a “thank you” to KVB. There was also discussion about the value of the Victor Voice now that it is “circulated” in digital version only. The resident’s awareness of the publication is not the same as with the mailed version. Gene will discuss with Gary Hadden.
3. Memorial Tree Plantings – This topic of discussion was prompted by an inquiry from a town resident .The board discussed the possibility of utilizing Harlan Fisher Park as a possible planting area. Josh mentioned the program that is in place in New York’s Central Park which I will not detail in these notes. The program can be accessed via www.centralparknyc.org/giving/endow-a-tree . This topic

will be on the agenda for our next meeting which will take place on August 8.

4. Tree Inventory – The latest version will be added to a Google file which will have edit/view capability. Gene will contact Bob Haggett to get latest version.
5. Trees for the Visually Impaired – I did not capture all of the discussion on this topic. Ruth and Regina will discuss at our next meeting.

Next Meeting: August 8 at 7PM at the library.
