## Town Sounds Alarm about Holidays, COVID-19 Fatigue! 11/25/2020 Update

I understand people are tired and have started to let their guard down – this is not the time for that! Instead we need to not only think about our own families but consider the impact on the community as a whole! The Town of Victor is currently on the States watch list with the possibility of a yellow designation. The yellow zone has some restrictions but impacts our school and students primarily. Look at what's taking place in some parts of Monroe County, yellow zone now going to orange. This is NOT where Victor wants to be!

I realize this pandemic is challenging us in a time when we want to gather with family. Please consider limiting the size of the family gatherings you are hosting or attending and think of other creative ways to connect with your loved ones.

For those of you that plan to continue with your usual traditions and travel to visit family, be aware that Ontario County follows the guidelines set forth by the NYS Department of Health with respect to a required quarantine after traveling out of New York State.

### Summary:

- ◆ Out-of-State travel (to anywhere other than PA, MA, CT, NJ) for more than 24 hours requires a 14-day quarantine upon return. Travelers can test out of the quarantine by obtaining a negative COVID-19 test in the state they are visiting 3 days before returning to NY and a second negative test on their 4<sup>th</sup> day of quarantine. A traveler cannot get 2 tests in NYS to test out.
- ◆ Travelers who are out of state for less than 24 hours must still register with NYS and obtain a COVID-19 test on 4<sup>th</sup> day in NYS.
- ◆ If you are in need of testing here is a list of sites:
  - ◇ MCC – call for appointment – 888-364-3065
  - ◇ Geneva General Hospital – 315-787-4000
  - ◇ Well Now Geneva – 315-230-4074

Check out this site for more details:

I want to thank everyone for your efforts in wearing your masks and social distancing – PLEASE KEEP IT UP!

I want to wish all of our residents a safe and healthy Thanksgiving Day and Holiday Season!

Supervisor Jack Marren
