

[Attestation of Exemption \(CE-200\) Online Application](#)

Homeowners who are doing the work themselves need to follow the following link to supply the Village of Victor with a CE-200, Exemption from workers' compensation and disability insurance:

Here is a link to follow to fill out the application for the CE-200:

<https://www.wcb.ny.gov/icexempt/index.jsp> **Please follow this link and print the CE-200, sign it and submit it with your application.**

Make sure to disable pop-up blockers so that you will be able to view and print your CE-200 certificate once completed.

Create a unique pin by following the instructions given.

If you already have created a pin, please sign on with the information requested.

*If you are completing the CE-200 as a Homeowner:

Nature of the Business select - Homeowner

Applying for select - Building permit

Issuing Governmental Agency – Village of Victor

Enter the project dates (when work will start and estimate of when it will be completed)

Address (the address where the work will be done)

Complete and submit the application.

Please print, sign and date the certificate and turn in with your completed building permit application to the Village of Victor – Building Department.
