

SWIMMING POOL ALERT!!!

Before you purchase a portable swimming pool at that local big box store, **BE ADVISED...**

Any swimming pool **capable** of holding water at a depth of **24 inches or greater** requires a building permit and needs to meet New York State Code requirements for a permanent safety barrier.

This applies to **ANY** pool whether it is in-ground, above-ground, **inflatable or portable**. These pools will also need to be equipped with a pool alarm.

Please contact the Town of Victor Planning and Building Department at 585-742-5035 for more information.
